

1. Scope

This specification applies to the flat-surfaced signs illustrated below. These signs will be used outdoors and will be attached to a variety of materials including pressure treated wood poles.

2. Size

Signs shall be 18" tall x 24" wide.

3. Color

The one sided signs shall have a permanent black UV resistant copy on a white background.

4. Material

Signs shall be made of weather and UV resistant material, 4mm thick Coroplast, white in color.

5. Outdoor Durability

Five years minimum, with exterior exposure.

6. Solvent Resistance

Resistant to degradation by petroleum solvents and greases.

7. Storage Stability

Ten years minimum under normal storage conditions (75°, 50% relative humidity). Material must be mildew resistant.

8. Identification

The manufacturer's name or logo and date of production shall be clearly marked along the bottom left edge of each sign. The District's Material ID number shall be clearly marked along the bottom right edge of each sign.

9. Packaging

Signs shall be packaged and shipped with adequate protection to avoid damage from shipping and handling.

10. Material ID Number

This specification applies to the following District Material ID number: 1001676.

<p><small>SNOHOMISH COUNTY</small> PUD <small>PUBLIC UTILITY DISTRICT NO. 1</small></p> <p>NOTICE:</p> <p>The Snohomish County PUD has determined that certain trees or other vegetation upon this property pose an imminent hazard to public health and safety due to their condition and/or proximity to electric power lines. The resident or property owner must immediately contact the PUD at the number provided to authorize the required trimming or removal work. If the resident or property owner fails to contact the PUD to make alternative arrangements, the required work will proceed at the stated time. <u>Agreement of the resident or property owner is not required for trimming or removal of trees if the PUD determines such action is necessary to protect life or property or to restore electric service per RCW 64.12.036.</u></p> <p>This work is expected to begin on _____ and to be completed on _____. Should there be any questions regarding the above notice the following person may be contacted at the District: _____ Phone: 425-_____ or toll-free at 1-877-783-1000.</p> <p><small>Manufacturer's Name/Logo Date of Production</small> <small>Cat. ID No. 1001676</small></p>
