

1. Scope

This specification applies to flat-surfaced, Certified PCB tested decal similar to the illustrated example. These decals shall be designed for outdoor applications. Each decal shall be produced to allow information to be written on the face of the decal with all of the following instruments: pencil, ballpoint pen and waterproof marker.

2. Material and Tag Requirements

Refer to District Material Standard DECALMAT8.

3. Size

Decal shall be 5" high x 5" wide, with a tolerance of +/- 1/32".

4. Color

The front of the decal shall be UV Resistant Sericol 190 Process Blue with white reversed out copy.

5. Material ID Number and Identification

This specification applies to the following District Material ID Number: 890576, to be marked in the bottom right corner, with the bottom left corner containing the manufacturer's name and/or logo.
